Sir:

PETITION UNDER 37 CFR 1.53 TO CORRECT OFFICIAL FILING RECEIPT

The Filing Receipt mailed October 4, 2006 in connection with the above application contains the following errors:

Filing or 371 (c) Date should be “**09/29/2005**” instead of “07/19/2006”.

In the Assignment For Published Patent Application section, **delete** “Bassell Polioefine”
and **insert** instead “Basell Poliolefine”.

The above-captioned application was filed at the USPTO with all of the 371 requirements on **September 29, 2005**. A copy of (i) the express mailing label placed on the express mailing certificate, which was mailed with the application and respective filing papers, and (ii) the duly stamped receipt acknowledgement card are submitted herein as Attachment A. A Notification of Missing Requirements Under 35 USC §371 was mailed on May 24, 2006, the merits of which was traversed in a reply mailed July 18, 2006. A copy of the response and stamped acknowledgement card is submitted herein as Attachment B.

Applicant respectfully requests the filing date of the above-captioned application be corrected to September 29, 2005, and for a Corrected Official Filing Receipt to be issued by the USPTO.

Applicant respectfully requests the Petition fee of \$130.00 to be charged to Deposit Account No. 08-2336. For this reason, this Petition is submitted in duplicate. However, since the error regarding the filing date for this application is not the fault of Applicant, Applicant courteously requests the Petition fee be refunded to Deposit Account No. 08-2336.

Respectfully submitted,

JEAN NEWS ET AL.
